Volunteers Needed!

The Pantry of Broward has a wide variety of needs, which means just about anyone can be of help. From students holding neighborhood food drives to corporations sponsoring our events to individual donors pledging matching funds, we are grateful for all that our supporters do to help us stay the course and fulfill our mission. Please take a look at the suggested ways you can help and find a good fit for you and/or your organization.

Volunteer Opportunities Include:

- Packing food boxes
- Answering incoming calls
- Delivering food boxes
- Distributing food boxes to clients
- Office administration work
- Special Events

Volunteers days for in-office and delivery opportunities are Tuesdays, Wednesdays, and Thursdays between 8:30 AM and 3:30 PM.

Volunteers are required to complete and submit a [Volunteer Information Form](#). Once you have submitted the form, you will receive a response from our Volunteer Coordinator shortly thereafter to set up an interview.
