

ONE "CAN" CHANGES EVERYTHING

Where your food donation goes:

FOOD DRIVES FOOD DONATIONS

Food drives and donations produce almost 80% of the canned and non-perishable goods annually and are a vital source to The Pantry of Broward.

BUILD DRY GOOD BOXES AND BAGS

Once we receive donations, our warehouse team and volunteers build out fifty-five pound dry good boxes full of canned veggies, boxed potatoes, pasta, sauce, rice, canned fruit and more! We pair those boxes with fresh produce, meat, eggs, milk and fresh bread.

HOMEBOUND DELIVERIES AND DISTRIBUTIONS

After the packages are prepared, with the help from so many volunteers, we dispatch 500+ food packages monthly throughout Broward County.

OVER 2,500 MEALS SERVED MONTHLY

Thanks to your generous donation, The Pantry of Broward is able to feed over 500 seniors and grandparents raising grandkids serving over 2,500 meals on a monthly basis
