CHECK LIST ON "HOW TO HOST" A FOOD DRIVE

Congratulations on choosing to host a food drive!

- First things first - choose a clean and safe location to collect and store food items.
- Then, choose a time frame or specific day to collect food items.
- Spread the word! Advise your community via social media, word-of-mouth, work, friends, organization, colleagues, family, etc.
 - The Pantry of Broward can provide a logo, images and information for assets if needed.
- Now it's time to collect items from the above "Thanksgiving Drive Items Needed" list.
 - Just a note, you may want to have a few empty boxes on hand during the actual collection to put loose items in.
 - The Pantry is happy to provide boxes if needed.
- Connect with Ashlie at The Pantry of Broward to see when items collected can be dropped off to the warehouse.
 - Ashlie Rolfe | ashlie@thepantryofbroward.org
- Drop items off during the designated time.
- You will receive a donation receipt via email and a formal letter in the mail with proof and weight of your donations.
