## CHECK LIST ON "HOW TO HOST" A FOOD DRIVE

Congratulations on choosing to host a food drive!

- First things first - choose a clean and safe location to collect food items.
- Then, choose a time frame or specific day to collect food items.
- Spread the word! Advise your community via social media, word-of-mouth, school, friends, organization, team mates, family, etc.
  - The Pantry of Broward can provide a logo, images and information for assets if needed.
- Now it's time to collect items from the above "items most needed" list.
  - Just a note, you may want to have a few empty boxes on hand during the actual collection to put loose items in. We can provide these boxes if needed.
- Connect with Ashlie at The Pantry of Broward to see when items collected can be dropped off to the warehouse.
  - Ashlie Rolfe | ashlie@thepantryofbroward.org
- Get validated! Be sure to bring your service hour/volunteer form with you upon dropping off your items to be validated.
  - 25 pounds = 1 hour of service
  - You will also receive a donation receipt in the mail with proof and weight of your donations.
